

FUNDRAISE FOR LYP AND SUPPORT LOCAL YOUNG PEOPLE

FUNDRAISING FOR LYP

We are a local charity with a big vision for supporting young people in our community.

Every penny you raise will go directly into our projects, helping us to deliver high quality and consistent youth work.

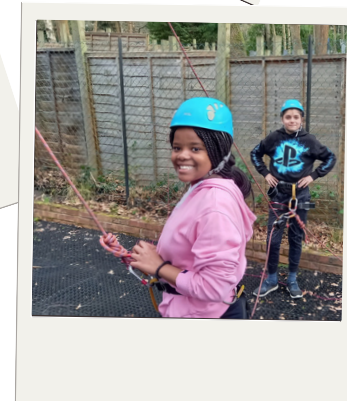

For example...

£50 covers a 'Connect' or 'Explore' session in Leatherhead or Bookham

£100 covers one month of activity costs at BFree Youth Cafe

£240 provides eight counselling sessions for a young person

£320 gives one young person a space on our annual residential trip

WHO WE SUPPORT

Since 2005 we've been providing youth work services to support disadvantaged and vulnerable young people in our local community.

We take a relational and positive approach to young people, providing support and skills to help them overcome barriers they are facing and build a brighter future.

Our projects include:

- BFree & BYouth drop-in youth cafés in Bookham and Leatherhead
- One to One Counselling and Emotional Wellbeing sessions
- Residential trips
- Evening projects providing targeted youth work
- Community volunteering through our Making Good social action project

“

"BFree is my second home I can turn to any of the workers if I need help and support."

5 FUN WAYS TO FUNDRAISE FOR LYP

There are lots of fun ways you can raise money to support LYP. Here are five of our favourite fundraising ideas to get you started...

Sponsored Run

Whether it's 5k, 10k or a marathon, taking part in an organised running event is a great way to help raise money for LYP and challenge yourself at the same time.

Bake-off Contest

Put everyone's baking skills to the test with a bake-off competition! Set a ticket price to enter and bring everyone together to sample the bakes and decide who should be crowned star baker.

Put on a Film Night

Pick a classic movie, set up a big screen and get some comfy sofas or chairs to create your own cinema experience.

Walk, Cycle or Swim for Charity

Want to challenge yourself to an epic cycle ride, hike up a mountain or swim 100 lengths? Turning it into a fundraising opportunity is a great way to motivate yourself and raise some money for charity at the same time.

Host a Quiz

Quizzes are a very popular way to fundraise. Teams can pay to enter and put their wits to the test with a competitive quiz. Have a prize available for the winning team.

In the lead up and on the day of your fundraising event, tag us in your **social media posts** and we will share them too.

Throughout your fundraising campaign, feel free to **email us** if you have any questions and we can support you.

AFTER YOUR EVENT

- JustGiving will automatically send your donations directly to LYP and handle all Gift Aid arrangements.
- You may receive some cash donations and we advise keeping these in a safe place separate from your own money. After your event, please arrange a time to drop off any cash donations.
- Please share with us any photos / videos from your event as we would love to celebrate your fundraising success on our social media channels and LYP's website.
